It certainly does not feel like October, and the activity levels have not seen a decline this Fall. September this year proved to be an incredibly busy month in almost all respects. The month began with record heat over the Labor Day weekend which tempered golf rounds a bit but the final outcome for the month was extremely positive. Battling temperatures in the mid to high 90's, the Member Appreciation event at the South Lake Center on September 3rd was surprisingly well attended. Unfortunately, the fireworks show, sponsored by Rome Realty, was unable to proceed because of the extreme fire danger and red flag warning. Other than that, the Labor Day Weekend functions and happenings were popular, well attended and without question would be deemed a success.

When we look back at all that goes on here over Labor Day Weekend, it is important to mention a very passionate group that allows us to host these types of activities – our volunteers. On October 2nd we hosted a dinner to honor all of the diligent individuals that are giving of their time and allow us to do some of the things we do. Whether it be the ever popular Craft Show or the Member Appreciation festivities, these events could not be executed without the very loyal group of volunteers. From committee members to the very dedicated, hardworking divot fillers and everyone in between, I cannot thank you enough for your efforts. Participating and taking ownership helps make the Lake Arrowhead Community what it is.

As I eluded to earlier, September was a very productive month for our golf business and food and beverage results. I am pleased to report that totals in these categories outshined any previous September on record at Lake Arrowhead. Conducive Fall weather coupled with a robust event calendar have lead to a very success-

ful September. Immense credit has to be given to staff when we have these levels of business after Labor Day. Food and beverage along with the golf staff lose approximately 40% of their work force once school is back in session. The tireless efforts of the existing employees allows us to accommodate the ever increasing volume of business. Thank you to all staff members!

As you may have noticed, our Fall pool project (resurfacing and retiling) has been underway since the second week of September. If everything stays on schedule and we do not experience weather challenges, this should be completed by the third week of October. In another effort to continually update our amenities, this month we will be replacing the floating piers in our North Lake Marina. While we are discussing lake projects, two of our 2023 capital projects were to replace the boat launches at the Mid Lake and South Lake. If you are a boater and utilize these areas we are hopeful that they display marked improvement. Initial feedback has been extremely positive.

Speaking of capital projects – it is that time of year that we have the Common Areas Committee weigh in with their recommendations for the 2024/2025 fiscal year. Lynne Keuler has done a tremendous job as chair of this committee for a number of years as the group is so instrumental in the future of Lake Arrowhead. In the coming weeks the board will be presented with a prioritized list of well thought out improvements.

In conjunction with the Firewise program I would like to thank Steve Crubel and the amenity/maintenance department for their efforts last week with brush pickup. This longstanding tradition is an enormous undertaking for a small group but with a great work ethic

they get it done swiftly and effectively. With Steve and crew taking the entire Lake Arrowhead development it allows the Town of Rome to concentrate on the other areas.

Enjoy the Fall season and everything Lake Arrowhead has to offer.

## Board President's Message - John Halaska

The transition to fall is coming and the beauty of the changing colors will be upon us soon. It signals the turning of seasons both in nature and in the activities we engage in during the busy summer season. It is no different for the Board and the management team in that we now have time to begin to turn our focus to the upcoming fiscal year and beyond.

All of the planning, research and preparation to formulate the path we see for the Association in 2024 and in the future. Budgets must be put together by each department and compiled for the Association as a whole, projects must be prioritized, revenue must be estimated as well as projections of foreseeable changes to expenses, contracts with vendors must be evaluated, negotiated and or renewed. All of the events held during the past year must be evaluated and adjusted to improve on their execution. Potential new events need to be envisioned and planned. Menus are reevaluated and adjusted for the upcoming year. Long range plans and goals can be examined

and adjusted if needed. Many people feel that the off season is easy, relaxing and less hectic than the summer but that is far from what actually occurs. At times the "off season" is full of more time consuming and stressful decisions about the future of Arrowhead than the planned and organized events of the summer. Summer is spent coordinating, implementing and managing the activities set in motion by the "off season" planning. The "off season" is the critical time that keeps this organization moving towards the goals we have for this community.

We want to thank every team member and every volunteer for the committees and events that consume the summer months because without them many of the enjoyable things we have would not occur. There are still times that additional volunteers are needed so I ask every member to consider offering a few hours to serve their neighbors and watch for and find an event or a committee to contribute your time and skills to.

**East Briar, Inc.  
Board of Directors Meeting Minutes  
July 25, 2023**

Board Present: John Halaska, Greg Boening, Bob Benkowski, Tom Bulin, Tom Wright  
Staff Present: Jill Cavanaugh & Joel Barth

Members Present: One

Meeting called to order by President Greg Boening at 8:00 a.m.

**Minutes:** June 27, 2023, minutes reviewed. Motion by Halaska/Bulin to approve minutes as presented. Motion carried.

**Treasurer's Report:** June 2023 unaudited financial reports were reviewed. Motion by Benkowski/Halaska to approve unaudited financials as presented. Motion carried.

**Old Business:** Nothing to discuss.

**New Business:** Nothing to discuss.

**Adjourn:** Motion to adjourn by Halaska/Wright at 8:01 am. Motion carried.

Respectfully submitted,  
Tom Wright, Secretary

**Lake Arrowhead Association, Inc.  
Board of Directors Meeting Minutes  
July 25, 2023**

Board Present: John Halaska, Greg Boening, Bob Benkowski, Tom Bulin, Tom Wright  
Staff Present: Jill Cavanaugh & Joel Barth

Members Present: One

Meeting called to order by President John Halaska at

8:01 a.m.

**Minutes:** June 27, 2023, minutes reviewed. Motion by Benkowski/Boening to approve minutes as presented. Motion carried.

**Treasurer's Report:** June 2023 unaudited financial reports were reviewed. Motion by Boening/Bulin to approve unaudited financials as presented. Motion carried.

**Manager's Report:** Mid Lake boat launch reconstruction is completed, and South Lake boat launch work will begin July 27. South Lake work will include an additional pier along the launch area. We received very favorable bids for the replacement of floating piers at North Lake center. This project, as well as replacement of the North Lake staircase, will begin in October 2023. The Cheesemakers golf event last week went well with over 800 people involved. They have locked in already for 2024 and 2025. July business is good, and we have a big weekend coming up that will help boost numbers. Tunes scheduled for July 27 will be inside based on the forecasted extreme high temperatures.

**Committee Reports and Correspondence:**  
Architecture & Environmental (A&E) Control Committee: Question raised on what steps should be taken when violators continue to not pay fines or fix violation. Question also asked on individuals who pay the fine but don't fix the violation. The board will review fine policy language and provide the committee with some guidance.

Common Areas Committee: nothing reported.

Security Committee: Things are going well for the most part. There are a few issues with dogs at beach centers and non-campers using the campground dumpsters. Signage has been placed at the campground dumpster to help educate offenders.

Guest Pass – question raised during the security committee report on guest passes and the wide usage of them. There is a significant increase in the amount of guest passes being purchased by members and the amount of people utilizing facilities. The board is aware of concerns and will need to revisit the policies to see what changes may need to occur.

**Old Business:** Nothing to discuss.

**New Business:** Nothing to discuss.

**Closed Session:** Motion by Boening/Benkowski at 8:24 a.m. to take a ten-minute break and then enter closed session to discuss legal items. Motion carried.

Motion by Bulin/Boening to leave closed session and return to open session at 9:08 am. Motion carried. The board took a fifteen-minute break and motion was made by Boening/Bulin to re-enter closed session at 9:26 am to discuss personnel items.

Motion by Boening/Benkowski to leave closed session and return to open session at 9:39 am. No action taken during closed session.

Next meeting date: Tuesday, August 29th at 8:00 am; Pines Clubhouse.

**Adjourn:** Motion by Ben-

kowski/Bulin to adjourn at 9:40 am. Motion carried.

Respectfully submitted,  
Tom Wright, Secretary

**Adjourn:** Motion by Boening/Benkowski to adjourn at 8:16 am. Motion carried.

Respectfully submitted,  
Tom Wright, Secretary

## Golf Shop News

Summer is over but the golf industry continues to see strong number of players participating in the game. June through August were busier than ever again this year.

The Club Championship took place on Saturday, August 26th and Sunday, August 27th with a field of 40 players. Participation continued to increase this year. Greg Hutcheson had a hole-in-one on Saturday's round at the Lakes. Randy Nick captured the Men's title and Bonnie Butcher took home the title for the Women. Thank you to all participants for playing this year.

The Annual Turkey Shoot golf outing is scheduled for Monday, October 23rd on the Lakes Course. The event is a ten-hole scramble played backwards on the front nine of the Lakes Course. There will be an 11:00 am shotgun start with prizes and a chili luncheon to follow golf at the Pines Clubhouse. Sign up in the Pines Golf Shop.

On Monday, September 11th and Tuesday, September 12th we hosted the NEWGA Women's 2-Person Best Ball Championship. Twenty-seven teams competed for the championship. Lake Arrowhead was well represented with eight teams and all eight teams played well in the event. The team of Rita Michels and Barb Hernesman won the Championship with a score of 129. Congratulations ladies, well played.

The closing date for the Lakes Course is Saturday, October 21st and the closing date for the Pines Course is Sunday, November 5th.

# Common Areas Committee News

Looking for volunteers to join the Common Areas Committee.

The Common Areas Committee assists the Lake Arrowhead Board of Directors in prioritizing the repair, remodeling or replacing of the Lake Centers (North, Mid-Lake, South and West), Chalet, Sportsfield and Campground and Pines Clubhouse. The Committee does not have any responsibilities for the Lakes Golf Course, the Pines Golf Course and the food and beverage services. We meet monthly from April to October. At the start of each year, Committee members complete an on-site property review of each facility. These reviews are then discussed during our monthly meetings to determine which ones we should forward to the Board and Lake Arrowhead Management.

Items completed in 2023

1. Mid Lake Center boat ramp
2. South Lake Center boat ramp

Scheduled for later this year

1. Remove ceiling of South Lake Pavilion
2. Replace piers at North Lake Center
3. Replace stairs to North Lake Center Dock
4. Repair Clubhouse Pool

We are currently waiting for cost estimates to help us prioritize the recommendations to be submitted to the Board for consideration for the 2024-2025 budget.

The Committee would like to thank Larry Kurtzweil for his many years of service to the committee and the Lake Arrowhead Community.

Submitted by: Bob Schwartz

“Jamie Patton (NRCS) leads a discussion focusing on how tillage impacts soil structure and water movement at the soil pit dug on-site”

## 14 Mile Watershed News

In August, farmers, agronomists, and conservation staff from the area met for a soil health field day. Organized by UW-Madison Division of Extension with assistance from Adams County Land and Water, participants learned more about soil health and its potential to help address both production and water quality challenges in vegetable and cash crop rotations. Soil health is the ability of soil to continue to function as a living ecosystem, supporting a profitable crop while enhancing environmental benefits like improved nutrient management and increasing the soil's ability to handle water. This makes soil health an important part of minimizing the impact of agriculture on water quality while making fields more resilient in drought and flood years. Participants took the opportunity to actively participate in a producer-led discussion about farming in the central sands and the role of conservation practices like reduced tillage and cover crops. The highlight of the day was the soil pit, where Jamie Patton, NRCS State Soil Health Coordinator, related soil health principles directly to the farmland. Opportunities like this field day spark interest and provide feedback from both conservationists and farmers as we continue the conversation about agriculture and conservation. In total, over 10,000 acres of farmland were represented by the producers in attendance. They were joined by private agronomists, Extension, federal, state, and county conservation staff for this event. Funding for this soil health field day came from a grant provided by the Wisconsin DNR and Extension.

## **ROMEMAKERS Home and Community Education**

Romemakers have been very active this summer with a summer trip to the Mead Wildlife Area, a class on chair Yoga, a tech class from Bug Tussel, the Adams County Fair, and our regular meetings.

Romemakers H.C.E. had a booth at the Adams County Fair in August. The booth was made to show what we learned about the Netherlands. Almost every bulb grown in the world came from the Netherlands. They are the Bulb Capitol of the world! The booth received a red ribbon. At our September meeting, we heard about St Croix Hospice, which is a program not affiliated with any hospital and is located in most counties in Wisconsin. Hospice is a wonderful program and has helped many families through a really tough time. We also had a visit from Paul Leibherr, Nekoosa School District Family Community Outreach Liaison. Romemakers will be working with him on a project that the schools are requesting. September 18, 19, and 20, the State Conference for all the H.C.E. clubs in Wisconsin was held in the Dells. It is a 3-day conference, and had many classes, entertainment, social interactions and the sharing of ideas from members and their guests. Several members attended. In October, Romemakers are partnering with VisitRome to sponsor a Halloween Trick or Treat Event at the Gazebo in the Town Center on Saturday October 28 from 12:00 – 3:00 p.m. We have a great line-up of booths by Groups and Businesses in Rome, plus music by a D.J., games, and fun for the whole family. If you wish to donate any candy to the event, Romemakers will make sure the kids get it. The drop off for Halloween candy, individually wrapped, will be the library in Rome. We will also have a photo booth set up for pictures if families wish to have those memories. We are planning for over 300 kids.

October 3 is Super Tuesday – a special learning day where Adams County and Marquette County H.C.E. members and friends get together for a social/learning day at Pine Lake. There are different learning sessions throughout the day plus breakfast and lunch. There are over 50 ladies attending this year, and all are looking to learn while visiting with friends.

In November and December, we are partnering with the library to collect food items for Adams County Food Pantry. The first Saturday in December we are partnering with the SnoBandits and Visit Rome to provide Christmas in Rome – an event that is greatly expanded from last year. There will be horse pulled wagon rides, decorated spaces in the Town Center, crafts for kids, Santa Visits, cookie decorating table, and much more. Plan to attend the best Christmas in Rome ever!! December 2, 2-8 p.m. Rome Town Hall and the Town Center. Watch for more information soon.

On November 18, Romemakers are hosting the Old Fashioned Holiday Craft Fair at the Rome Town Hall from 9 – 3. Crafters from all over the state are set up to give shoppers a great shopping experience. Romemakers are an active community group. Our meetings are held at the library in the community room at 9:30 on the 2<sup>nd</sup> Thursday of each month. Come and join us! We'd love to introduce you to the many opportunities in HCE. Call Linda at 715-712-1471 for more information.

## **WOODLAND COMMUNITY QUILTERS**

250 quilts have been completed by the Community Quilters to be shipped off for disaster relief through Lutheran World Relief at the end of October. The quilters are proud to have made this many plus over 200 to be used locally for people in Adams and Wood Counties. Quilts have been donated for fundraising, baptisms, and special needs throughout the year. Many hands make light work, and making quilts is a social time as well as time together on a very worthwhile project. Consider joining us on Mondays, from 9 – 3, at Woodland Church on 14<sup>th</sup> Ave in Rome. You do not need to sew, we need people to iron, design, pin squares together, pin quilts together, and cut squares as well as sewers. Call Linda at 507-358-6614 or Jeanne at 715-325-6244 for more information or just come on a Monday to see what we do.

All are welcome. We can always use donations of clean sheets, blankets, mattress pads, and fabric, so keep us in mind if you have some to spare.

## **RECORD BREAKING YEAR FOR 19<sup>TH</sup> TEE OFF FORE THE GIRLS**

### **Annual Fundraiser Supporting Local Women Fighting Cancer Sets the Bar High**

*By Amanda Robinson, Tee Off Core Committee Member, Survivor*

This year's *Tee Off Fore the Girls* at Lake Arrowhead was a record success. \$23,050.17 was raised at the fundraiser to benefit Aspirus Riverview Foundation Women's Cancer Fund, making it the most money ever raised for this event in support of local women battling cancer.

As an almost five-year breast cancer survivor, I can personally tell you how impactful, supportive and important the TEE OFF fundraiser is. Furthermore, as a patient at Aspirus Riverview Cancer Center, I believe it's not only the exceptional care from medical professionals and the entire staff at the cancer center that make a difference in the "journey", but it's also local community members reaching out and supporting in many, many ways that is incredibly meaningful. It's wonderful to have Lake Arrowhead host and accommodate this event, that we have the team to implement and manage it, local businesses and establishments to generously donate to it, and numerous community members to attend and graciously support it. As all these players sync together, each are huge contributors in paying it forward for women fighting this terrible disease and getting the financial - and other support - they need, and deservedly so.

### **HOW YOUR DONATIONS ARE USED**

Our event is different from many other fundraisers. We support local woman facing all cancers. Every dollar raised goes to support women in our communities facing any type of cancer (not only breast cancer) and receiving local care at Aspirus Cancer Center. All donations are utilized in many critical ways for women facing this disease and enduring treatment. Some ways in which your money is applied: food and special meal replacement and nutritional supplements, transportation to and from appointments, housing and utility assistance, message therapy, day care assistance, to name a few. Thank you for making a tremendous impact in the lives of local woman battling cancer.

### **EVENT HIGHLIGHTS**

Held on Sept. 13 at Lake Arrowhead Pines course, approximately 180 attendees - record breaking attendance - came together to enjoy a morning of golf followed by a luncheon with silent auction and many raffles. It was a day of laughter, camaraderie, friendship and support.

Golfers found a goodie bag on their carts made and donated by Sue Powers and some came early to decorate their carts. Many participated in this and decorating themes ranged from butterflies to bras! It was a spectacular sight - the sea of carts with creative decorations and beautiful women and men with butterflies, wearing pink and many other unique themes adorning their outfits. New this year was a sponsored foursome of men in pink polo shirts attending for our cause and they truly showed much support and kindness.

After golf and during the social hour, attendees were welcomed inside to a room full of beautiful butterflies and many options to choose from for auction and raffles. With 21 silent auction items and 35 gift baskets, everyone had many unique things to bid on and hope for. Special raffles this year included an autographed Green Bay Packer football and a lovely diamond, silver and rose gold bracelet.

Patty Smith fabulously emceed our event and Judi Rhodes gave a touching prayer. After a delicious buffet lunch, participants enjoyed a

style show with our very own Rome models and raffle winners were announced. Following that, cancer survivors were recognized and honored with a beautiful butterfly candle holder created by Caryl Schalla.

Our incredible day concluded with a monarch butterfly release outside on the patio. This unique and memorable part of the day was thoughtfully originated by Marie Hernesman and beautifully orchestrated by Julie Finbraaten and Linda Beck.

### **IT TAKES A VILLAGE**

This event could not have happened without the help from so many people who gave their talents, their time, their energy, their support. On behalf of the Tee Off Core Committee, thank you to everyone who made this day a success.

Marie Hernesman - butterfly theme and release executor, luncheon, oversight

Diana Peterson - registration, donations, treasurer

Amanda Robinson - marketing/materials, video

Caryl Schalla - made and donated the survivor gifts/centerpieces and candy boxes, and signage

Patty Smith - auction, sponsorships, raffles, registration, emcee

Mary Jo Reynolds - gift basket coordinator

Julia Francis and Jeanie Schultz - silent auction coordinators

Sue Alberti - silent auction and sponsorship procurement

Sue Powers - made and donated golfer's goodie bags, including the handmade bead counters

Lisa Spangler and Susan Hinze - golf games and golf volunteer recruitment

Carin Schalla - set-up, decorating and tear-down

Judi Rhodes - prayer giver

Maureen Cannaday - photography

Julie Finbraaten and Patti Beck - butterfly release

staff; Lukki Smolarek and team; Denise Lorenz, Bob Anderson and all members of the food and bev staff; administrative/office team

Hole Sponsors, Gift Baskets and Silent Auction donors: many families, individuals, local businesses, organizations, and establishments.

TEE OFF Core Committee: Marie Hernesman, Diana Peterson,

Amanda Robinson, Caryl Schalla, Patty Smith

*If a name is missing, that was not our intention, we apologize. For a complete list of hole sponsors, basket raffle and silent auction donors, please reach out to Patty Smith.*

## Monroe Prairie ATV Club News

We had another successful Building Fundraiser on August 26<sup>th</sup> at Connell's Cedar Shack. We had our 25<sup>th</sup> **Annual Bear & Coon Hunt** on Sept. 30<sup>th</sup> out of Camelot Lodge. It was a fun night trying to find raccoon cutouts in the Town of Rome off-road trails for a chance to win cash prizes.

## October 8<sup>th</sup> – Ridin' Side by Side with Adams County Sheriff York

– fundraiser for Adams County K9s at Connell's Cedar Shack south of Adams. Registration starts at 10 am, ride starts by 11am. There will be a east and west loop touring Adams County. Stopping at Ponderosa Pines for a meal and returning to Cedar Shack. Come support your K9 program! You do not need to ride to attend.

Mark your calendars for **Saturday October 28<sup>th</sup>** for our annual **Halloween Ride** at Buske's Bighorn Bar and Grill. Just like the Bear

& Coon Hunt but looking for Halloween-themed items – some fly around, some may be lighted. Registration starts at 6pm, last machine in at 10pm.

**Upcoming meetings:** Thursday, Oct 19 @ Spot In The Woods 6:00PM; Thursday, Nov 16 @ The Lure 6:00 PM. Come join the Club and help make 2023 even better with more rides/events.

### Please remember:

- Lights must be on at all times.
- Stay on trails! We could lose them if you go off of them.

\*\*\*Town of Rome off-road trails will be closed to ATV/UTV use as of November 1<sup>st</sup> until the 2024 season in May.

**Join our Club during the Halloween ride and your membership will carry over for next year.**

# Lake Arrowhead Things to Know

This is a summary of restrictions only. A full copy of the **DECLARATION OF RESTRICTIONS, COVENANTS AND EASEMENTS** can be found at ["lakearrowheadgolf.com/about/links"](http://lakearrowheadgolf.com/about/links) scroll down to download.

The restrictions, covenants and easements are imposed to promote the quality of life of the community by establishing standards for development.

## **V. RESTRICTIONS**

1. No outside toilet or privy may be erected in the Community, except by the Developer.
2. No person may introduce any diseased or noxious plant, animal or insect.
3. No activity which interferes with the privacy of any other person.
4. No noxious, offensive, or illegal activities shall be tolerated on any tract.
5. No business can be run on any residential parcel.
6. No mobile home may be placed on any tract other than on mobile home lots.
7. No camping, except on lots designated for that purpose.
8. The only furniture allowed outside of buildings is lawn furniture.
9. Removal of trees and vegetation are restricted. Clear cutting must be approved with building plans.
10. Building techniques must guard against erosion.
11. Once construction begins, it must be completed in three months on mobile homes and nine months on residential lots.
12. No occupation until water and sewer are completed.
13. No stripped, partially wrecked, or junked motor vehicle, trailer, boat, refrigerator, stove/other appliances, or any other salvage item of any kind shall be permitted.
14. Fuel storage tanks must be buried or screened by fencing or shrubbery.
15. Clotheslines shall be placed so they are out of view. NOT allowed in EASTBRIAR.
16. All tracts shall be well-maintained.
18. Any damaged structure must be rebuilt or repaired as quickly as possible.
19. Only one mobile home allowed on a mobile home lot and must be 500 sq. ft.: a minimum length of twenty-two (22) feet and one (1) accessory building.
20. All structures must conform to local building codes.
21. Setbacks for buildings are 35 feet from FRONT LOT LINE (100 feet for Spotted Fawn), 10 feet from SIDE LOT LINES & 25 feet from REAR LOT LINES.
22. No parcel or lot shall be divided or re-divided, except as is otherwise specifically provided in the declaration.
23. Nothing may be done on any residential lot, which alters the surface drainage patterns in such a way as to be detrimental to any other tract in the Community.
24. SEE RESTRICTIONS FOR COMMERCIAL LOTS.
25. The committee MAY ESTABLISH RULES AND REGULATIONS governing the burning of trash, rubbish, grass, brush and other materials anywhere in the Community.
26. Only ONE single family in a dwelling lot.
27. Dwelling must have a minimum of 760 sq. ft. Fairway, Waterfront or Restricted lots must be 1000 sq. ft., 1400 sq. ft. in EASTBRIAR.
- 29(a). All associated structures shall be built of NEW MATERIALS. Place of USED structures shall be prohibited.
- 29(b). No animals other than normal pets such as cats & dogs- two each is the MAXIMUM.
- 29(c). NO SIGNS. (Including, but not limited to, "For Sale", "For Rent", or similar signs) billboards or other advertising structure of any kind may be erected or maintained anywhere in the Community.
- 29(e). No trees over six (6) inches in diameter shall be removed, except as necessary for construction.
- 29(j). "Subdued Natural Tones" which is compatible with the usual esthetics of the surrounding natural environment. "The Committee shall be the final judge of what constitutes "subdued Natural Tones".
  1. Any construction work on any residential lot, with the cost of at least \$100.00 REQUIRES approval of the committee.
- 29(i). Complete plans for any proposed associated structure or other construction work is required.

In the event that you have received approval from the Town of Rome for your building project, YOU MUST COME TO LAKE ARROWHEAD A&E COMMITTEE FOR APPROVAL OF OUR COVENANT AND RESTRICTIONS "BEFORE" ANY CONSTRUCTION BEGINS!

\*The A&E Committee will not accept anonymous complaints.
